Specialist SEN College

## Free: SEN Support Hub

### Support with Special Needs and Inclusion

This hub will be invaluable to all classroom teachers and SENCOs who are addressing the needs of pupils who have special educational needs (SEN) daily.

#### Overview

Meetings will take place in the format of workshops, guest speakers and opportunities to network and will provide:

- Free CPD and networking community
- Support around specific conditions that affect learning
- Opportunities to review barriers to learning in the curriculum
- Strategies that can be used in helping pupils become independent learners
- Support with differentiation in specific subjects
- Sharing of information about multi-disciplinary therapy approaches
- Opportunities to observe SEN teaching in practice
