

Introduction to Independent Travel Training

Course Overview

Independent Travel Training (ITT) is designed to support children and young people with Special Educational Needs and Disabilities. It aims to teach students how to travel a specific route on their own in a safe and responsible way.

This course will focus on the key skills students need to develop, and the most effective teaching approaches to best support them.

School Impact

By the end of the course you will understand:

- The benefits of ITT
- The key skills required for successful ITT
- How to deliver a bespoke ITT programme
 - The assessment of ITT
- How to embed the key skills into everyday life
