

## 22.05.20 – Headteacher message re re-opening

Dear Parents/Carers,

We are sending this information prepared yesterday out now as parents do need to access this.

However, yesterday, Cheshire West and Chester primaries received a letter from the Director of Education which has been distributed to parents. It refers to schools being advised not to open before 8<sup>th</sup> June. We have been told this will also apply to special schools, but are waiting to receive the letter.

If this does apply to us, I must advise you that we will not open Dorin Park on 1<sup>st</sup> June, except to a small number of key worker and socially vulnerable children who have already been informed they have a place.

I realise how difficult these constant changes are. We will inform you further when we receive more details ourselves.

Regards

Jane Hughes
