Warm weather – sunscreen arrangements

Dear Parents/Carers

As the warm weather is now here, please provide a **named** hat for your child to wear at school during breaks and lunchtimes.

All our pupils spend time outside, so it would be appreciated if you could apply sunscreen to your child **before** they come to school. It is a good idea to buy a long acting sunscreen (8-12 hours) to ensure your child is protected throughout the school day.

If you would like your child to apply additional sunscreen at break and lunchtimes, please send some in a named container. Most pupils can apply their own sunscreen. Where a child really cannot, staff can apply sunscreen to face, neck and lower arms if you send in a letter or send an email to our Parentcomms address (parentcomms@dorinpark.cheshire.sch.uk) requesting this. Please ensure other areas are covered with clothing.

School has a duty of care to all pupils and at times the temperature in the playground can be very high. For this reason, if your child does not have any protection they will not be allowed out during break or lunchtime.

Please also note that if tailored uniform style shorts are worn as part of school uniform, they should be knee length.

Many thanks for your co-operation.

Yours faithfully

Sarah Adam

Deputy Headteacher
