Weather Warning (Amber) – Heatwave

Dear parents, carers and families,

You may have seen in the media that we have a weather warning for our region, where Cheshire West and Chester have currently issued an amber warning of extreme heat, up to Tuesday 19th July 2022.

Families, can I please ask that you help your child to cope with this extreme weather by:

- Putting sun cream on your child before they come to school;
- Providing your child with a hat;
- Dressing your child in loose, cool clothing. They do not need to wear uniform;
- Providing your child with extra drinks or a refillable water bottle;
- If your child is transported to and from school, talking with your transport provider about how you can help your child to be cool whilst on their vehicle by, for example, giving them a cooling towel or similar.

If you are concerned about the amber warning due to your child's health needs and would prefer to meet their health needs at home, please do email us on parentcomms@dorinpark.cheshire.sch.uk

Activities in school will be modified to support your child. We will not be using the hydrotherapy pool, we will not be spending as much time outdoors at break times and will be avoiding the sun between 11am and 3pm. We will help children who use wheelchairs and supported seating to spend more time out in different positions, to allow them to have a more comfortable air flow.

If you have any questions or comments then please do contact me on head@dorinpark.cheshire.sch.uk

With kind regards

Lucy Lee
