Car Parking changes from 26th June 23 to end of October 23

Dear families, staff and taxi drivers and escorts,

From Monday 26th June, we will lose a section of our car park (down the side where parent pick-up usually is), as work will commence on the building of two new classrooms to adjoin the existing Chestnut and Beech Classrooms.

Due to this there will be **no parent pick-up gate access at the end of the day**. All pupils will depart from the main reception area, apart from the pupils who currently use the EYFS entrance, which will carry on as usual. Due to the increase in use of the front car park at the end of the day, we will allow **parents to pick up from 3pm** until the end of the summer Term, and in the first half term in autumn. The buildings are due to be completed by the end of October.

Taxis and buses will not be allowed on to the school site, including the entrance driveway, until 3.10pm, to enable parents to exit the site.

Morning arrangements will be as usual.

From 10th July, during the two transition weeks, if your child usually uses the EYFS entrance they may change to the main entrance due to the position of the classrooms, but you will be informed about this in good time.

We apologise for any inconvenience. The new buildings are a necessary step to ensure that we have appropriate provision for our pupils as they move through school.

Yours sincerely,

Lucy Lee
