	Indicate a response to ‘do you need help?’	Ask for help with a simple problem	Persist if a problem is not solved	Find new ways of using objects	Add new things to familiar activities	Recall missing items

EQUALS – Semi-Formal Long-Term Plan – Beech (2024-25)

<p>My Maths Stage/Level 1</p>	<p>Number Cardinality (counting objects and knowing the last number counted is the total)</p> <p>Weight and Capacity Measuring out ingredients.</p> <p>Compare differences in weight using heavier / lighter.</p>	<p>Number Understanding 0 and knowing value of numerals to 10.</p> <p>2D and 3D shape Recognise basic 2D and 3D shapes (circle, triangle, square, rectangle, cube, sphere, cuboid)</p>	<p>Number Subitising and counting up to 10 items reliably, including zero.</p> <p>Measuring Describe and compare long, short and tall</p>	<p>Number Simple whole number addition to 10.</p> <p>Money Exchanging coins / notes for items to 10p / £10.</p> <p>Writing / Recognising coins and notes when the correct symbols are used up to 10.</p>	<p>Number Simple whole number subtraction to 10.</p> <p>Position and Direction Understand and use simple positional language.</p>	<p>Number Order and compare numbers to 10. Ordinal numbers from 1st to 10th.</p> <p>Time Understand parts of a day; morning, afternoon, evening, night. Understand concept of yesterday, today, tomorrow.</p>
<p>My Maths Stage/Level 2</p>	<p>Number Read, write, order and compare numbers to 100.</p> <p>Weight and Capacity Describe and compare measures of weight and capacity.</p>	<p>Number Counting using ordinal numbers.</p> <p>2D and 3D shape Recognise and describe basic 2D and 3D shapes (circle, triangle, square, rectangle, cube, sphere, cuboid)</p>	<p>Number Recognise odd and even numbers to 100.</p> <p>Measuring Describe and compare measures of items including size, length, width and height.</p>	<p>Number Addition of numbers beyond 20.</p> <p>Money Exchanging coins / notes for items to 20p / £20.</p> <p>Writing / Recognising coins and notes when the correct symbols are used up to 10.</p>	<p>Number Subtraction of numbers beyond 20.</p> <p>Position and Direction Use positional vocabulary to describe position and direction.</p>	<p>Number Order and compare numbers to 100. Ordinal numbers up to 100th.</p> <p>Time Read 12 hour digital and analogue clocks to quarter to and quarter past.</p>
<p>My Outdoor School</p>	<p>Focus: wilderness explorers Independent use of tripod structures (animal den building)</p>	<p>Focus: using tools and problem solving. Introduction to the use of hammers.</p>	<p>Focus: creativity Mini-beasts within the forest school area in spring.</p>	<p>Focus: making a fire Contribute to fire lighting by gathering fuel</p>	<p>Focus: environmental awareness Animal habitats in the forest school.</p>	<p>Focus: Orienteering Use simple compass directions (North, South, East and West).</p>
<p>My Physical Wellbeing</p>	<p>Invasion games Mini hockey- agility and balance</p>	<p>Target games Curling and Boccia- learning to play and practice (see boccia guidance)</p>	<p>Gymnastics Gym minis</p>	<p>Net and ball games Table cricket Bat and ball games</p>	<p>Athletics Mini-athletics- throwing focus- level 1</p>	<p>Outdoor adventures- Treasure hunts Bikes Exploring large play equipment and different terrain</p>

	Aquatics: Push and glide on the front with arms extended and log roll onto the back.	Aquatics: Push and glide on the front with arms extended and log roll onto the back.	Aquatics: Push and glide on the back with arms extended and log roll onto the back.	Aquatics: Push and glide on the back with arms extended and log roll onto the back.	Aquatics: Swim 10 metres with 3 strokes.	Aquatics: Swim 15 metres with 3 strokes.
PSHCE	<p>Being me in my world:</p> <p>I feel safe and special in my class and say what is special about me. Create and follow class rules, with my class mates. I can identify when my friends have done something well and celebrate success. I can recognise how my actions might affect others. I accept consequences to my choices.</p>	<p>Celebrating differences:</p> <p>I can identify similarities and differences between me and my peers. I find ways to include others in play and learning. I recognise when someone is being unkind and how to get help. Look at kind and unkind words and how they make people feel.</p>	<p>Dreams and Goals:</p> <p>I can set myself a simple goal and suggest steps to meet this goal. I can work with a partner to meet a simple goal. I can try a new activity before asking for help. I can tell you how I felt when I succeeded in a new activity. I can suggest ways that we can celebrate our successes.</p>	<p>Healthy Me:</p> <p>I begin to recognise some of the differences between being healthy and unhealthy. I am beginning to make healthy choices for myself. I can contribute to keeping myself clean and communicate ways that I stay clean. I begin to understand how to cross the road safely.</p>	<p>Relationships:</p> <p>Identify my own family and understand that there are different types of family. Identify features of a good friend, giving simple descriptions of my friend. Exploring different types of greeting. I recognise my 'safe adults' within school and who can help me.</p>	<p>Changing me:</p> <p>I am beginning to understand life cycles. I can say some things that have changed about me since I was a baby. I can say how my body has changed since I was a baby. I begin to recognise that boys and girls are different. I can say how my life has changed since I was a baby.</p>
Zones Of Regulation	<p>Me in my Zones</p> <p>How do I look and feel in each zone?</p>	<p>Me in my Zones</p> <p>Body signs for each zone.</p>	<p>Me in my Zones</p> <p>Adjust interactions with someone depending on person's zone</p>	<p>Me in my Zones</p> <p>In different situations/environments complete 'me in my zone'</p>	<p>Me in my Zones</p> <p>Videos of me in my zones</p>	<p>How do I feel?</p> <p>How do I feel?</p>
My Play and Leisure	<p>Functional Play & Parallel Play</p> <p>Pupils explore objects as they are intended to be used. Toys and games that have a specific purpose: Dolls, cars, tea sets Games: Simon Says, What's the time Mr Wolf, Musical chairs Develop turn taking, sharing and interaction, following rules</p>		<p>Structured Play</p> <p>Goal orientated play with staff joining in and offering direction. Board games, Structured play boxes, card games, Lego, building, whole class games Develop listening skills, turn taking, following rules, fine motor skills, cooperation tolerance</p>		<p>Free Play</p> <p>Creative and improvised with no set goal and unlimited possibilities. Variety of activities and resources available; dressing up, sensory resources, messy play, playdoh, outdoor play, food Develop tolerance, creativity, imagination, sharing resources, cooperation, preferences.</p> <p>Socio dramatic & role play</p>	

			<p>Create imaginary worlds, characters, & scenarios, which relate to the real world. Variety of resources to enable pupils to act out scenes e.g., hospital resources</p> <p>Develop social, language, emotional regulation, life skills & model social behaviour.</p>
