

Dorin Park PTA – Treasurer's Report

We started the school year with a balance of **£11,911.24**, and thanks to all of the fundraising throughout the year, we've finished with a healthy closing balance of **£13,604.29**. That's an increase of **£1,693.05** over the year.

Overall, we **raised £5,033.41** and **spent £3,340.36**.

Looking at where our income came from, our biggest fundraising events were:

- **Halloween Event - £934.95**
- **Summer Fair - £853.74**
- **Fashion Show stalls and ticket sales**, which together raised over **£1,169**
- **School Lottery - £609.40**
- Along with generous donations, raffles, Easyfundraising, clothing collections and recycling schemes.

A huge thank you to everyone who attended events, volunteered their time, donated prizes and supported us throughout the year. Every contribution has made a real difference.

On the spending side, we've continued to use the funds to directly benefit the children and the school. Some of our largest purchases included:

- **£680.41** towards the Forest School wish list.
- **£350** for school minibus cleans.
- **£229.82** for kitchen equipment from the school wish list.
- Support towards events throughout the year, including Halloween, the Summer Fair and the Fashion Show.
- We also covered our usual running costs, such as storage, Parentkind membership, lottery licence and bank charges.

Finally, I'd like to thank everyone on the PTA, the volunteers, staff, parents and local businesses who have supported us throughout the year. None of these figures would have been possible without your time, generosity and enthusiasm. We hope to build on this success in the coming school year and continue funding projects and experiences that benefit all of our children. Thank you.
